

Our new subscriptions year starts 1<sup>st</sup> April 2019 and we're pleased to confirm no increase, still only £8! We very much hope our much-valued current subscribers will be renewing their subscription and will also be delighted to welcome new subscribers.

For those who don't know about the magazine – it's one of two magazines produced for Hardington Vale Parish, The Link being the one distributed in Rode, Tellisford, Woolverton and Farleigh Hungerford.

The magazine contains news and events and other information about what's going on in our community and it's an easy way of keeping up to date on things. The magazine also contains a monthly events diary and year planner, useful local phone numbers and has a business ads section – very handy when you need a local plumber (and much more)!

The £8 subscription covers the delivery to your address of 11 issues of The Link. The magazine will be delivered monthly to your address (except January when we have a combined December/January issue) commencing April 2019 through to March 2020 inclusive. As well as being delivered a subscription also offers a saving on buying individual copies of the magazine.

If you haven't ever seen a copy of the magazine and would like to see what it's like pop along to Rode Post Office, where copies are available to purchase every month, and have a look at (and maybe buy) one. Subscription envelopes are also available at Rode Post Office.

Details on how to take out a subscription are in the March issue, which is now available but please don't hesitate to contact [link@rodevillage.com](mailto:link@rodevillage.com) if you'd like more information.

Happy reading and our thanks to all taking out a subscription for 2019/20 it is very much appreciated.
