

### History and geography

Horrible History's project  
 Where they come from  
 Mayans  
 Gods  
 Currency  
 South America  
 Mayan's maths masterclass

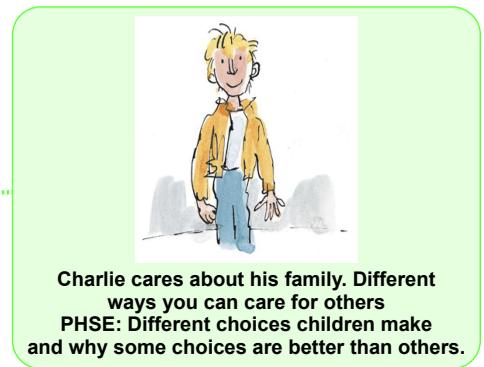

### Science

The water cycle  
 Liquid and gas  
 Bubble room in Charlie and the Chocolate Factory. How are bubbles formed.  
 Changes of state  
 Reversible/ irreversible  
 Making slime: Golden time treat!  
 Why does the slime change? Exploring chemical reactions.  
 Melting chocolate  
 Charlie and the chocolate factory link: Chocolate room  
 Melting wax  
 Cooking egg

## Magical Marvellous Makery Wild Things

RE  
 What is important to you?

Charlie cares about his family. Different ways you can care for others  
 PHSE: Different choices children make and why some choices are better than others.

### Literacy

Fronted adverbial  
 Expanded noun phrases  
 Contractions: you are/ you're  
 SPAG  
 Text: Charlie and the Chocolate factory  
 Instruction writing  
 Designing and writing instructions for a 'Meal Sweet' Children will make up their own sweet that contains the flavour of a whole meal and instructions will explain how to make it.  
 Descriptive writing  
 Characters  
 Looking at different characters in Charlie and the Chocolate Factory: Mr Wonka, Charlie, Augustus, Violet, Veruca, Mike Teevee  
 Children will act out and hot seat characters and create their own descriptions of them.  
 Settings  
 Children will look at different scenes: Charlie's house, Wonka factory front, chocolate room. Describe setting. Children will also be learning to illustrate these scenes using water colour and pen.

### Music and Drama

Songs from Charlie and the chocolate factory

Literacy festival: Children explore the book 'The School of Music' and what makes a musician.

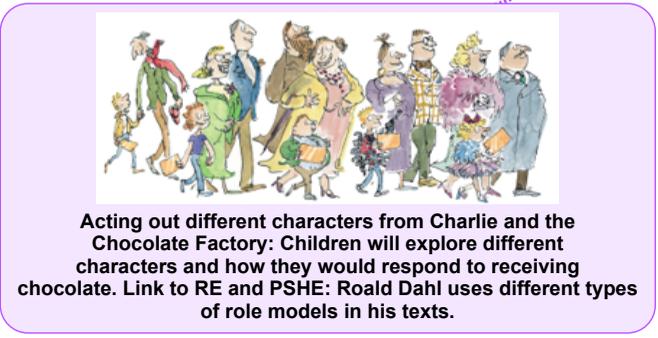

Children will visit the Literature festival and meet the author of the book.

Drama physical acting: creating a machine as a team that makes a meal sweet: children will use their bodies to act out different parts of the process of producing a meal sweet: linked to instruction writing.

### Dragons Den

Kindness and humility  
 Values  
 Maths  
 Addition and subtraction  
 Multiplication and division  
 Children show greater understanding through money and how to spend in a sweet shop  
 Make money grow  
 Chocolate and sweets arranged in blocks or 'arrays'  
 Children design, make and sell a product using a budget of £20 and see how much they can make it grow.

Acting out different characters from Charlie and the Chocolate Factory: Children will explore different characters and how they would respond to receiving chocolate. Link to RE and PSHE: Roald Dahl uses different types of role models in his texts.

### Art

Learning to draw characters 'imperfectly' according to Quentin Blake's technique. Children explore characters and settings in literacy and draw these. Colour up using watercolour.  
 Artist: Quentin Blake  
 Techniques  
 Watercolour  
 Pencil  
 Pen and Ink

### ICT

E Safety  
 Can I protect my personal information when I do different things on line?  
 Programming: can I put program commands into a sequence to achieve a specific outcome?  
 Multimedia: Can I create different effects with different technology tools? Technology in our lives: can I describe the World Wide Web as part of the internet that contains websites?
