

# On the crest of a wave

## Maths

Multiplication & division  
Fractions  
Place Value  
Time  
Money

## Literacy

We will use our phonics to read and write.  
We will learn to spell tricky words.  
We will write a recount about our Easter holiday.  
We will retell the story of Christopher Columbus.  
We will **create** our own messages in bottles.  
We will be **inspired** to write by the texts: Taratuga, Tiddler, The Whale Song, The snail & the whale, Sally & the limpet, Splash, The forest by the sea.

## Science & DT

In Science we will **discover** which objects float and sink and record our data. We will use our findings to design & **create** a boat that floats.  
We will **discover** the different types of animals that live in the sea and in rainforests and **explore** their characteristics.

## History/Geography

We will **discover** who Christopher Columbus was and why he is significant. We will **explore** where he sailed using maps and **create** our own. We will **explore** Brazil and compare it to where we live. We will **discover** the Amazon rainforest. We will **discover** why some countries are hot and others are cold.

## RE/ PSHE/Values

Our values are perseverance and generosity.  
In RE we will **discover** the important times in a Christian and Jewish persons life (Baptism, Confirmation, Bar mitzvah, and Wedding.)  
In PSHE we will **explore** healthy relationships.

## PE

We will be **inspired** by Samba and **create** our own dances.  
We will take part in cricket & tennis sessions and complete the Monday Mile.

## Music

We will **discover** Samba music and then be **inspired** to **create** our own music for our whole school carnival.

## French

We will **explore** language linked to the seaside.

## Art

We will be **inspired** by objects from the ocean to **create** our own decorative stones. We will be **inspired** by George Baraque to **create** seaside string prints of our own.

## ICT

We will be **exploring** multimedia. We will use technology to **create** and present our ideas. In e-safety we will **discover** why it is important to be kind and polite and to say kind things about others' work.

What time is it in other countries?

What animals live in the sea?

Why are some countries hot?

What is a rainforest?

How did explorers record things before cameras?

Can we make a boat and see if it floats?

Where is there a rainforest?
