

CHRISTMAS WREATH TRAIL

This year Sustainable Norton St. Philip are making a trail around the village formed of 25 Christmas Wreaths. Each one contains a tip for a Sustainable Christmas. All have links to websites containing information on that idea. If you have a QR code reader on your phone, you can go straight to the link.

Follow the trail. Start at NSP First School. Collect the answers. All correct answers are entered in a prize draw.

Please note each wreath will have an obvious tag. Please do not interfere with wreaths on private houses who may not be part of the trail.

PRIZES

Winners will be decided by a draw from all correctly answered sheets.

- Two prizes for first two under sixteens who complete the inner trail of wreaths 1-12.
- One prize for the correct list for the whole trail of wreaths 1-25

Collect a map showing the Christmas Wreath trail and an answer sheet from NSP First School, the Church porch, Fleur de Lys or Brewery House North Street.

Return your completed sheet to Brewery House, North Street by midnight Monday 23rd December.

The draw will be made and prizes delivered on Christmas Eve.
