BFG Class

BFG Class are discovering about Tales and Teeth. We will be inspiring the children with less traditional tales from around the world and create our own based on the Russian Witch, Baba Yaga. Children will be given the opportunity to explore a range of writing styles - newspapers, stories, adverts, letters and sports reports to put together their own Fairy Tale News newspaper. We will learn about moving books and create our own Fairy Tale with moving pages. We will look at animals in the forest, their habitat and how their bodies adapt to their environment. The children will flourish when sharing their learning with their families
