

## River Deep Mountain High

Go for a walk and then draw a map of your journey.	Paint or collage a riverside picture.	Go on a scavenger hunt.	Design and make a picnic for Mr Toad and his friends.
Collect a group of objects and discover if they float or sink. Record your results in a chart.	Play Pooh sticks.	<b>Find out about rivers.</b> Can you name a river nearby? Can you name a river in the UK? Can you name a river in another country?	<b>I spy with my little eye...</b> Find something that begins with every letter of the alphabet.
Take photos from different perspectives; lying down, looking up, close up.	Create a water run. 	What helps the water flow? How many different runs can you make? Can you build lego dams?	Create a mask for a river animal or a character from Wind in the Willows.
