

## River Deep, Mountain High Topic - Home learning grid 2

<p>In South America there is a tribe of people on Lake Titicaca who live on floating reed islands, that have to be renewed every few weeks. Can you research them?</p> 	<p>Can you make slime? There is fluffy slime, rainbow slime and unicorn slime and all with household ingredients. <a href="https://www.youtube.com/watch?v=amUhYhACfok">https://www.youtube.com/watch?v=amUhYhACfok</a></p> 	<p>Does the Loch Ness Monster exist? Read the facts and decide for yourself. Do some Nessy art and story writing. <a href="https://learnenglishkids.britishcouncil.org/short-stories/nessie-the-loch-ness-monster">https://learnenglishkids.britishcouncil.org/short-stories/nessie-the-loch-ness-monster</a></p> 	<p>Some of the animals in the world are now in real danger of becoming extinct. Have you heard of the Hong Kong Pink dolphin? Draw a picture and write a poster for how to save them.</p> 
<p>Create a pirate treasure map. Use squared paper to create the grid lines, stain it with tea and write instructions to get to the treasure!</p> 	<p>Go on a nature hunt as part of your daily walk. Do the hunt every day for a week and make a tally or a bar chart of the things you find.</p> 	<p>What is the best weather to dry washing in? Hang out washing on different days and see how long it takes to dry. What do you think will be better?</p> 	<p>Create your own nature story stones and write a story about nature or life on a river.</p> 
 <p>Create a robot bug with electric parts. Adult help and parts required. <a href="https://www.youtube.com/watch?v=TFkUan5Uujs">https://www.youtube.com/watch?v=TFkUan5Uujs</a></p>	<p>Can you create your own garden mini beast, real or imaginary.</p> 	<p>Imagine that you have been shrunk to the size of an ant. Write a description about what you can see, or describe the new world around you using your senses.</p> 	<p>Have a go at taking perspective photos in the garden. Can you make yourself look taller/smaller? <a href="https://www.youtube.com/watch?v=c0wOKMryI3E">https://www.youtube.com/watch?v=c0wOKMryI3E</a> <a href="https://www.youtube.com/watch?v=nGisejk2wVc">https://www.youtube.com/watch?v=nGisejk2wVc</a></p> 
<p>What would be your top ten tips for surviving a school lock down? Make a list of the 10 things that you wish you had bought before the shops closed.</p> 	<p>Look around and see if you can find ways to save water as every drop is precious. <a href="https://friendsoftheearth.uk/natural-resources/13-best-ways-save-water-stop-climate-breakdown">https://friendsoftheearth.uk/natural-resources/13-best-ways-save-water-stop-climate-breakdown</a></p> 	<p>Go on a flower and plant hunt and see which different plants arrive each week. Can you name them all? Use the monthly spotter sheets on <a href="http://plantlife.org.uk">plantlife.org.uk</a></p> 	<p>Choose a River or sea in the World to do a fact-file on. The Indian Ocean, The Dead Sea? Where is it? How deep is it? What lives there?</p>
